Dysart tree by-law approved by county

Document now forwarded to Minister

by SUE COOPER
Echo Editor

A by-law that will regulate the cutting of immature trees in Dysart et al was approved by county council last Wednesday.

A draft of the by-law, that regulates the size of trees cut was passed by Dysart et al council last month but a resolution by county council must enact it, according to the provincial government's Trees Act. The by-law will affect loggers operating on private land within the boundaries of Dysart et al.

Peter Hynard, forester for the Ministry of Natural Resources (MNR) and chairman of the eight-member committee which drafted the by-law, briefed county councillors of the regulations contained in the document.

The committee's main concerns were to protect immature timber, residents living near logging operations and deer yards, Hynard said.

While the by-law will promote "good forestry practice", it outlines the diameter of trees allowed to be cut. Hard or soft maple, yellow birch, basswood, white ash, black cherry and white or red spruce may be cut if they have over a 38 inch circumference, equal to a 12 inch diameter. Hemlock

measuring 44 inches in circumference and equal to 14 inches in diameter may be cut while red oak and red or white pine must reach a size of 47 inch circumference equal to 15 inches in diameter before being harvested. Under-size trees may be cut to construct necessary logging roads and skidder trails, to allow the safe felling of an approved tree or the clear land for building.

Stanhope reeve Jim Harrison was concerned that the forests would still be damaged by mechanical skidders pulling tree lengths behind. Hynard agreed, but said the officer hired to enforce the by-law will decide if immature trees had been unnecessarily damaged. He said the committee of loggers and property owners had found that fines, ranging up to \$5,000 and not more than three months in jail, "quite harsh".

However, he noted that fines would be flexible depending on the circumstances of each case.

Carman Coumb, deputy reeve of Monmouth Township, was concerned the by-law did not address the problem of loggers leaving

Please turn to Page 2

Runners, walkers and riders lined up to start the Terry Fox Run at the town dock in Haliburton Village, Sunday. The 112 participants raised \$3,896.15 for cancer research. While the amount raised and

the number of runners dropped from last year's event, the amount pledged per participant increased this year. Organizers were pleased with the continued support given to the Terry Fox Run.

County marks new status

Haliburton County may have its own money next year if county council goes through with a promotional scheme.

To mark the change in status from a provisional county to a full county, the budget committee is considering a purchase of commemorative coins. The metal-alloy coins, about the size

of a silver dollar would be legal tender in stores and banks in the county for a specified period of time. They would be worth \$1 each.

While some of the councillors had voted against the changing of the county's status, earlier in the year, no nay votes were registered against the purchase of the souvenir coins.

Land Use Strategy draft described as "dangerous" document MNR policies not stated clearly

by Sue Cooper
Echo Editor

Describing the Ministry of Natural Resources District Land Use Strategy as "one of the most dangerous documents to cross our desks," Dysart et al reeve Murray Fearrey urged members of county council to voice their

concerns to the ministry.

While some reeves and deputy reeves had not read the document that was released about two months ago, Fearrey said his council had prepared a concise reply outlining Dysart's objections to the strategy. The ministry also has received briefs from Anson, Hindon and Minden and Stanhope District planner, Pat Martin said Monday that representatives from 12 municipalities had attended a public meeting held in August to discuss the brief.

Fearrey's displeasure with the draft document arose

from the lack of clear policy statements and the ministry's decision not to establish a provincial park within Haliburton County at least until the end of the proposed tenure of the document in the year 2000. The Dysart reeve told the councillors that the municipalities were being asked to endorse the ministry's policies for deer yards and fresh water fisheries without being informed what the policies were.

"Who knows what the policies will be," he said.

Fearrey warned the representatives of the other town-

ships not to feel the document was unimportant as it is still in the draft stages. Only last month, Fearrey said, ministry representatives suggested Dysart include some of the land use strategy mapping and details in an update of the municipalities official plan.

"If you sluff it off, you'll have to live with it for a long time", Fearrey said.

Sherborne, McClintock and Livingstone reeve, Fred Baum, told the councillors his council had arranged a meeting with ministry representatives the following evening to discuss the strategy and its affect on that area. He suggested the MNR would willingly speak to any interested township.

Baum said his council had "quite a few concerns" about the large tracts of crown land in the municipality.

The County Warden, Ron Gambell, suggested the county should ask for an extension to the deadline to submit a report embracing all of the townships' worries. The county will ask the MNR for a reprieve until the end of September to reply.

Stanhope wants Kanawa museum

Chamber suggests Leslie Frost Centre is ideal location for exhibits

The reeve of Stanhope Township is concerned that certain groups are attempting to relocate the Kanawa International Canoe Museum outside of his township's boundaries.

Jim Harrison told county council last Wednesday that his council did not appreciate many decisions on the museum's future being made without consideration that the township had donated money to the centre over the years, to keep it in its present location. The museum, with canoes and kayaks from around the world, is owned by Kirk Whipper and located on the Camp Kandalore property just off highway 35.

"We'll fight damn hard to keep it where it is," Harrison told the council.

Presently a consultants' study has been undertaken to review the future of the museum in hopes of increasing the number of visitors. A preliminary report suggested that Trent University in Peterborough might be a more suitable home for the museum.

However, an independent group of local residents, the Citizens for Kanawa Canoe

Museum, are promoting that the museum remain in the county. The committee has not endorsed any particular site in the county but small groups in Minden and Haliburton have suggested possible sites.

Bob Stinson, manager of the Haliburton Highlands Chamber of Commerce said

Tuesday that his board of directors has suggested the Leslie Frost Natural Resources Centre should be considered as a possible site in future feasibility studies concerning the museum. In comparison to the offer from Trent University, Stinson said the centre could be the better location.

Students from many schools across the province visit the centre annually and the centre is easily accessible and geared to canoe activities as well.

Stinson said the chamber board felt the Frost centre could be more than a viable alternative to moving the

The Haliburton high school senior Redmen football team took to field in their first match last Friday. Although the team played well defensively, LCVI

pushed ahead in the final minutes to win the game 19-2. For story, more pictures and a report on the junior football team's win, see page 6.

Harvest is celebration time

Foreign fun will delight crowds for 2 week-ends

Foreign fun, food and frolic arrives for a two weeks stint in the Highlands of Haliburton this week-end as four clubs across the county unveil the first Harvest Festival.

Nightly entertainment is offered in four communities for the next two Friday and Saturday evenings.

The fun begins in Minden as the community centre is transformed into a Caribbean Island paradise by the Minden Figure Skating Club. The highlight of the evening could be the "crab race" (featuring inexperienced North American crabs) but Island music, rum punch and pina colodas will no doubt tantalize the Harvest Festival revellers.

The palm tree images won't last long, however, as the tasty German Bavarian treats entice everyone to join the celebration at the Gooderham Community Centre, Saturday night. Old country bratwurst and sauerbraten are only a brief aspect of the german atmosphere to be provided as oompah music will ring in the background and souvenir steins of the memorable evening are offered for sale.

A week later, Bienvenu a Stanhope will delight the gambler in everyone as the Stanhope Fire

Fighters turn their community centre into a French Casino. Canadian money will be changed for Francs at the door. "Gendarmes" and petite waitresses serving french pastries and wines entertain the crowd.

Saturday night French Francs will not be the accepted coinage in Haliburton as dollars are switched to English pounds in preparation for an English Music Hall evening. This is the only evening with a set charge of \$10 to cover the cost of a full course meal of chicken and ribs presented by serving wenches and presided over by the Lord of the Manor. Food and beverages can be purchased individually at the other festival events. Souvenir steins will be available to remember this occasion by as well.

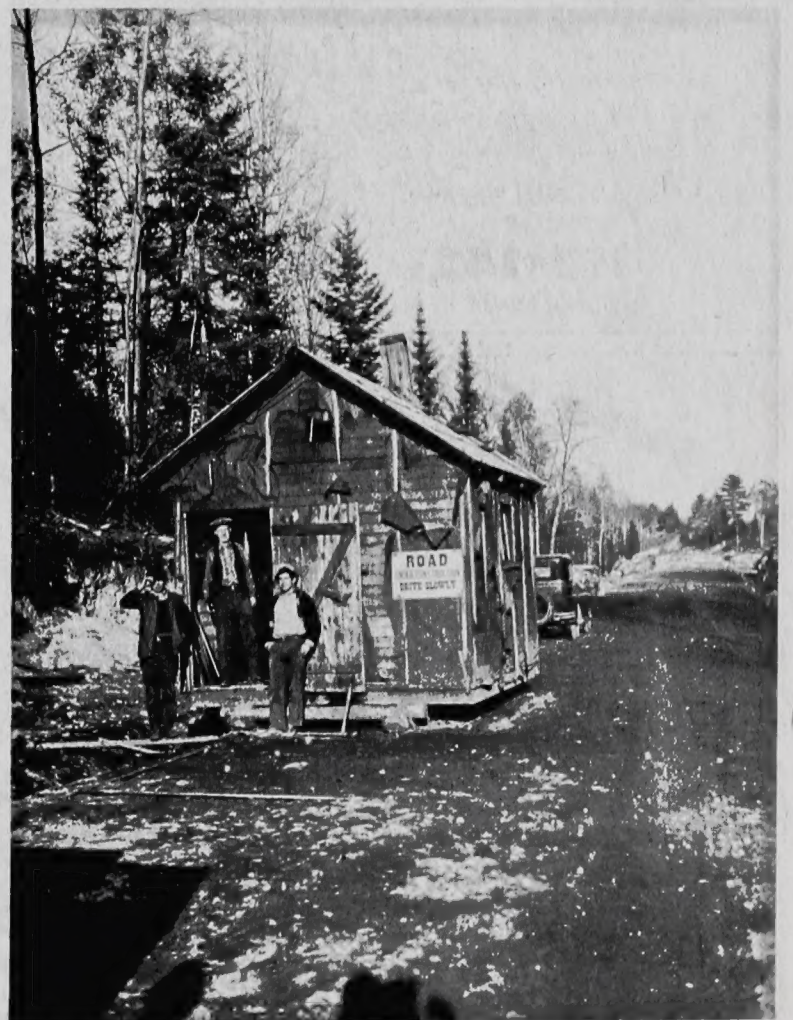

Admission to the festival events cost \$3 for one event, \$5 for two events and \$8 to attend all four festivals. Passports should be purchased in advance to ensure admittance. Limited tickets will be available at the door for evening which are not previously sold out. Advance passports can be picked up at Varty's Jewellery in Haliburton Village, Barr's Store in Gooderham, Mr. Fogg's in Carnarvon and Sandalwood Gifts in Minden.

County worried Highway 507 contract delayed

Worried that the reconstruction of Highway 507 leading south from Gooderham may be postponed because of cutbacks in government spending, county council has urged the Ministry of Transportation and Communications to begin the project.

Tenders have been announced but not let and construction was scheduled to begin this year.

County council passed the resolution at its regular meeting last Wednesday.

Area motorists are anxiously awaiting the completion of the reconstruction of highway 121 from Minden to Haliburton. They haven't waited nearly as long as residents did in 1934 when the road was first constructed. For story and more historical pictures see page 3.

Briefly ...

Two vehicles collide

Two vehicles collided on county road two when a truck swerved to miss an animal Friday evening.

Michael Saulnier, of Rexdale, was driving his 1979 Ford truck north when he swerved and struck a southbound 1972 Chevrolet, driven by William Leary of Norland. The Leary vehicle hit a rock cut on the east shoulder of the road.

Both men received minor injuries. Total damage to both vehicles was estimated at \$6,500.

Boat runs into tree

Three people were taken to hospital when a boat ran aground striking a tree last Thursday night.

The accident involved a 21 foot aluminum boat powered by a 115 hp motor.

Leon Bartlett of Toronto and a passenger, Ted Bilaire, of Weston, offered to transport Eta and Frank Tibore from a cottage they had been visiting on Kawagama Lake to their residence which was only accessible by boat.

A lookout was placed on the bow of the boat, but the boat was accelerated before the driver had his bearings and it ran aground.

Damage to the boat was estimated at \$2,500. Bartlett was charged with dangerous boating.

Thieves busy

Four thefts were reported at a business and homes during the past week.

Friday, Jack Hewson, of Minden reported that \$200 was stolen from his store in the village.

Saturday, Cathy Milik reported a break-in at the cottage of Gary Stoadley, located just east of the Green Lake Resort. Stolen items included stereo equipment, a portable television set, a tool box and tools. Value of the stolen property was estimated at \$1,200.

Also on Saturday, Rick Wood of Haliburton reported that two chainsaws and 12 chainsaw files were taken from his pickup truck. The items were estimated to be worth \$900.

A 50 h.p. outboard motor was reported stolen, Saturday. William Kuhlman said the motor was taken from the back of his 16 foot aluminum boat which was stored in his garage at his cottage on Lower Welch Lake. The motor was worth \$3,000.

Occurrences investigated

The staff of the Minden detachment of the Ontario Provincial Police investigated 44 general occurrences during the past week.

Included in those investigations were 11 thefts, eight lost and founds, seven break and enters, one liquor infraction and two 12-hour driving suspensions.

Four people were injured in six motor vehicle accidents.

Dysart holds regular September meeting

Dysart Municipal Council held a special meeting September 7.

By-law no. 82-35, being a by-law to amend by-law no. 11-59, a by-law to provide for the election of a Reeve, Deputy Reeve by general vote and a Councillor from each of the five wards, was read a first time.

Council adjourned to the committee of the whole for second reading of by-law no. 82-35. Harold C. Bannon, being appointed Chairman.

By-law no. 82-35 was read a second time in committee of the whole and passed without amendment.

Committee of the whole was adjourned and council resumed.

By-law no. 82-35, was read a third time, finally passed, signed and sealed.

Council concurred with the recommendations of the Ministry of Natural Resources, reference dredging fronting on Part of Lot 7, Concession IV, Dudley, Long Lake, George Thomson, provided all the regulations of the Ministry of Natural Resources are adhered to.

Dysart Finance and Correspondence Committee held a meeting September 12.

The Finance and Correspondence Committee recommended the payments and correspondence to Council.

Murray G. Fearrey declared an interest in Voucher No. 4251 and No. 3915.

Dysart Municipal Council was held September 13.

The minutes of August 8 (Finance and Correspondence), August 9 (Council), August 17 (Special), and September 7 (Special) were adopted as read.

By-law No. 82-28, being a by-law to Licence and Regulate Video Machines in locations other than arcades was abandoned as being unenforceable.

Council concurred with the recommendations of the Ministry of Natural Resources reference Lot 184 North Kennis Drive (Plan 467, Lot 63 - Robert Baird) provided all the conditions of the Ministry of Natural Resources are adhered to.

The Municipality concurred with the Ministry of Municipal Affairs and Housing's modifications to Official Plan Amendment No. 9 as set out in their August 30 letter.

Council approved of the application by L. Coneybeare to amend the comprehensive zoning by-law.

The Road Superintendent arranged to remove certain trees and undergrowth in front of the Skyline Park Look Out to improve the view in all directions. Permission has been granted to undertake this work by the land owners involved (Patrick Kennedy and the Ministry of Transportation and Communications). Work to be undertaken by Brush Crew before September 17.

T.V. Ontario was requested to install a low power rebroadcast transmitter on Skyline Park, Haliburton, in order that this region be able to receive the TV Ontario signal. There is a good site available already equipped with heat, light and telephone service, and Hal-

iburton is within the ANIK B satellite footprint.

A maximum of 100 tons of Highway Coarse Bulk Salt will be ordered from Domtar Chemicals (Sifton Salt Division) at \$25.02 per ton delivered in 35 ton truck loads when required by the road superintendent for winter sand.

Application was made to the Ministry of Transportation and Communications for interim subsidy to and including August 31, 1982, on all roads expenditures.

By-law no. 82-36, being a by-law to amend Zoning By-law no. 77-32, was read a first time.

By-law no. 82-37, being a

by-law to amend Zoning By-law no. 77-32, was read a first time.

By-law no. 82-38, being a by-law to authorize the sale of lands within the Corporation of the United Townships of Dysart et al, was read a first time.

By-law no. 82-39, being a by-law to authorize the sale of lands within the Corporation of the United Townships of Dysart et al, was read a first time.

By-law no. 82-40, being a by-law to accept various roads as part of the Municipal Roads System, was read a first time.

Councillors at 'United Nations'

World-wide disarmament ruled out by county

Last week's county council meeting turned into a mini-United Nations session as council members discussed the nuclear disarmament issue.

A motion to support "world-wide" nuclear disarmament circled the entire council table of reeves and deputy reeves before finally obtaining signatures from a mover and seconder. In a recorded vote only Bill Howe, chairman of the Improvement District of Bicroft, Elgin Stouffer, deputy reeve

of Stanhope and Dalton MacDonald, deputy reeve of Sherborne, McClintock and Livingstone supported the motion.

Councillors, including Anson, Hindon and Minden Reeve, Lloyd Walker, Luterworth deputy reeve, Glynn Lewis and Stouffer, discussed the pros and cons of the disarmament.

"As far as I'm concerned, to hell with them," Walker said "if The United States and Canada give up, the Russians will walk in."

Lewis, who has seen military service in many countries, said he felt the principal of disarmament was good but its establishment would be complex. Stouffer suggested that supporting the motion would be the proper move for the council.

As the council conversation drifted on to the past war-time record of the Russians, Dysart reeve Murray Fearrey asked: "Is this the United Nations, Mr. Warden?"

County passes tree by-law

from page 1

whole tree tops in the bush after the operation was completed. Hynard said that was an accepted practice as hardwood tops decay in three to five years. Snowdon deputy-reeve John Francis said the bush looks terrible during the decay time.

"We realize that good intensive forestry requires more than is contained in this by-law," Hynard admitted.

Monmouth reeve Keith Tallman was troubled because the ministry had allowed loggers to cut to the edge of municipal roads creating an eyesore. Hynard said occasionally clear cutting was an effective good forestry practice and felt that land bordering on municipal roads should not be made useless.

"I don't see anything wrong with people viewing a forestry operation. It's a fact of life," Hynard said.

The by-law was passed unanimously by the council.

Now, it will be submitted to the minister of Natural Resources for approval. The approval could be received within one to two months if the ministry's legal department finds the document acceptable.

When approval is received, Dysart et al will hire a part-time enforcement officer to visit logging operations. The committee estimated mileage and wages for the year would amount to approximately \$3,500.

What does community development mean?

Last year, it meant building a new wharf for Point au Gaul, Newfoundland.
Renovating an education centre in High Level, Alberta.
And improving a salmon fishery in the Skeena region of British Columbia.

This year it means jobs for over 48,000 Canadians.

The federal government's Canada Community Development Projects (CCDP) will provide \$270 million to hire local workers for projects that improve the communities in which they live. Young people, men and women and disabled Canadians, will be building their work skills and experience, while building their communities.

If you have an idea that will enhance the economic or social life of your community and employ three or more local people full-time, visit your local Canada Employment Centre. Applications and program information are available for sponsor organizations, local corporations and cooperatives who've got the experience to organize and coordinate community-based employment programs like CCDP. Job creation is a vital component of the federal government's six and five economic recovery plan.

Tell us what you think community development can mean to your community, and all the people who live and work there.

Applications must be received by September 30, 1982.

Road construction has changed in 50 years

Times have changed.

It's almost 50 years since the original highway was constructed from Minden to Haliburton to provide work for men that might have starved during the depression years. And now, 48 years later, the highway is being reconstructed but today's construction methods are faster and more efficient.

When the construction of Highway 121 began in 1934 the old road wandered through the forest and along the shores of Lake Kashagawigamog and parts of it are still utilized as township roads today.

Men were hired from across the province to swing pick axes and haul loaded wheelbarrows full of stone and earth. Teams of horses dragged stumps from the newly created highway and aided the men in the heavier work. Two camps were built along the new highway, one approximately a mile west of Ingoldsby and the other one the Allsaw flats. The camps provided lodging and dining facilities for the men who were paid \$5 a month plus their board.

Compared to today's bulldozers, grade-alls and back hoes, the machinery was primitive and the project dragged on for years. Even when the road surface was completed, only crushed stones covered it. And it was many years until four inches of pavement cushioned the ride.

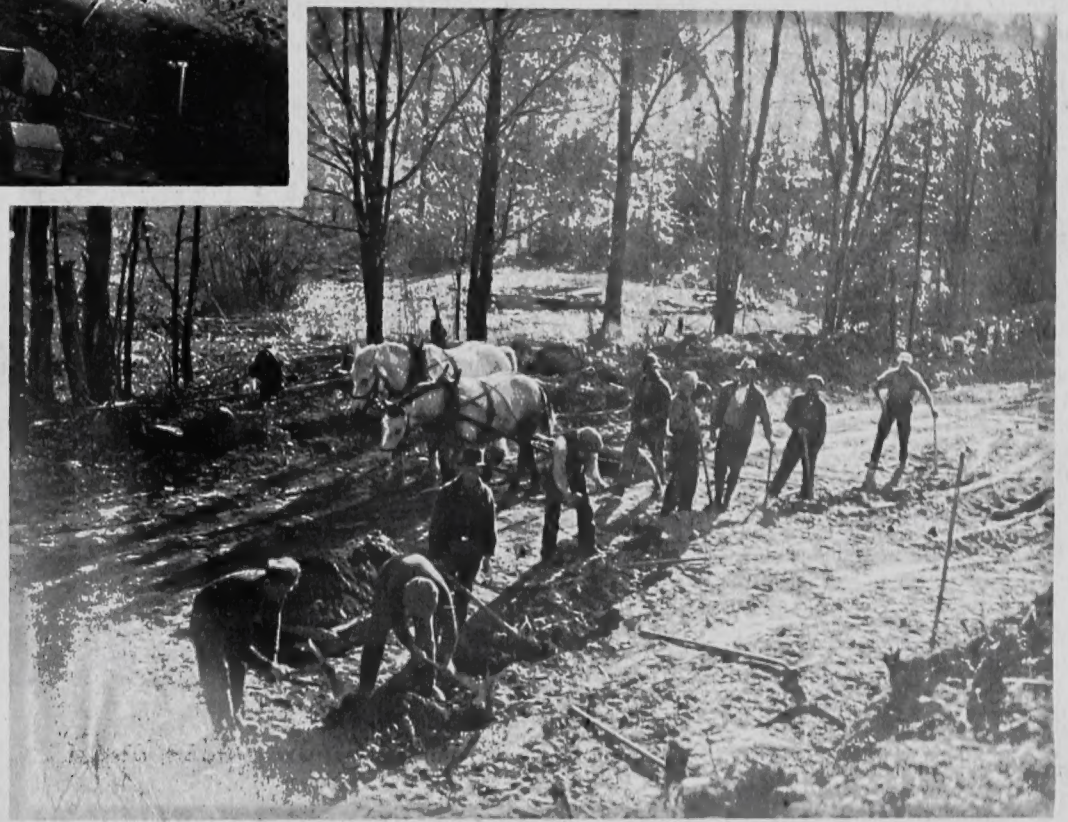

One of the favourite old stories of the construction of the highway stems from building the roadway in front of the present site of PineStone Inn. Workers were having difficulty filling the "sink hole" and the more rocks that were thrown in the more that were needed. Finally, one workman, it is said, decided to build a floating mat of balsam trees about three feet thick. The

road stabilized and construction continued.

The photographs on this page were taken in 1934 by Norman Smith and depict the working conditions of the construction men.

So when you're upset that highway 121 has been under construction for five months just imagine bumping over the washboard surface in a 1932 Ford for years on end.

organizations, to report publicly on the role and responsibilities of hospital boards, including: criteria for appointment; committee structures; financial accountability; provincial regulation; reporting procedures; planning and coordination. **Two Volatile Issues: Mental Health & Geriatric Service**

12. Develop a comprehensive program of community-based psychiatric after-care, with the provision of significantly increased administrative support and funding to ensure effective implementation. The program should include: training in life skills; educational and vocational opportunities; a full range of supportive housing; development of social and leisure skills; family support; self-help groups; financial management; continuity of care, including home nursing, therapy and homemaking.

13. Review patient discharge planning and procedures to ensure: (1) proper follow-up; (2) that ex-psychiatric patients are not excessively concentrated in one part of any community as has occurred in the Parkdale area of Toronto.

14. Appoint management boards representative

of the community, to govern the Ontario psychiatric hospitals, as is now the case for public hospitals.

15. Revise and enforce nursing home standards, making public the results of nursing home inspections and altering the funding formula to provide for a negotiated budget base related to the level of care provided.

16. Accelerate the expansion of chronic home care and OHIP - insurable homemaking for the frail elderly and all disabled adults, funding such programs on the basis of full reimbursement of approved costs.

17. Approve construction of a chronic care hospital of up to 300 beds in Windsor, in view of the particularly acute situation in that community.

18. Carry out a province-wide survey of nursing homes, homes for aged and chronic care facilities with the aim of developing a long-term expansion program based on current and projected future requirements. Special attention should be paid to the inappropriate placement of patients in acute care beds due to the lack of long-term care facilities in each region of the province.

Harvest Festival count down begins

From the Chamber
by Bob Stinson

COUNT DOWN TO HARVEST FESTIVAL

The "Fun, Food, Frolic and Entertainment" of the Harvest Festival events gets underway this weekend in first Minden and then Gooderham. The organizers in each community have been working very hard to make their night the best of the four... and only if you get out to all of them can you really judge who that winner is. Regardless of that fact we do know that a good time will be had by all at all locations.

Our advertising to date had stressed that passports were available only in advance and we had hoped that your response to this would make it easier for those planning each extravaganza to anticipate attendance. It would now appear that we can make passports available at the door, but we must caution you...all of the centres do have capacity limitations and you are still urged to purchase your passports in advance to ensure your admission.

We have also added another outlet for passports. Pilkington's Smoke Shop in Lindsay is now handling them for us to support the promotion being done over C.K.L.Y.

Have you ever seen a Crab Race? You can see one on Friday in Minden. Have you ever tried authentic Bradwurst or Saurbratten? If not, attend the Harvest Festival in Gooderham. Have you ever tried the "Big Wheel" in Monte Carlo? You can try one of the following, Friday in Stanhope. Have you ever experienced an Elizabethan Feast? You can do that a week from Saturday in Haliburton. Yes, you can visit four countries in just two weekends, for only \$8.00 per person.

The passports admit you to one, two, or all four events, and then you may munch, quaff or tittle at your leisure and pay as you go in dollars, francs, or english pounds. The Haliburton event is slightly different in that it is a flat \$10.00 for their entire feast in addition to your passport admission.

We look forward to seeing you all at each and every event!

BUS TOURS JUST ON TUESDAYS

The Colour Bus Tours initiated last week have proved very popular, but only on the all day basis. The half day trips originally scheduled for Thursdays have been cancelled, and only the full day tour is scheduled each Tuesday until Thanksgiving. The bus leaves Haliburton at the Rail's End Gallery at 9:30 a.m. (Please park over towards the Government Dock) and picks up Minden passengers in the Municipal lot (rear of

Cabinet shuffle just rearrangement

Report from Parliament

by M.P. Bill Scott

The Cabinet Shuffle of September 10 was akin to a rearrangement of old light-weight patio furniture in a den. Nothing new was put in place and the furniture is still worthless even if now in a different corner of the room. The players are still out-of-touch with the surroundings.

Let's look at what was done. First of all Allan MacEachen gleefully left Finance, and apparently at his own request, returned to External Affairs. Hopefully that means he will have no effect on future budgets. He once said working at External Affairs was like being on holidays. I hope he enjoys his new holidays, they will only last until the next election. Maybe by then he will be able to retire and forget the mess he has left the country in.

In light of the last two budget attempts, any new Finance Minister should be a welcome change. I say should be because, in this case, the

replacement is Marc Lalonde. He is the author of the now infamous National Energy Program. This brainwave of his has insured that no matter how well wages are controlled, energy prices will never be controlled. By the actions of that program, energy resource industries have had to line up to leave Canada. He has single-handedly destroyed Canada's hope of energy self-sufficiency in the near future and created record unemployment across the country. His only qualification for the job seems to be that he is a personal friend of the Prime Minister and cannot possibly do a worse job than the Minister he is replacing.

Jean Chretien moved from Justice to Energy, Mines and Resources to fill the gap left when Lalonde moved to Finance. It is rumoured that the Prime Minister wants him in a position where he can act as a salesman of the National Energy Program and a spokesman for the restraint program. I hope he can sell Cabinet on bringing energy prices in line with wage controls. With his record of disinterest in such legislation as Bill C-53, any interest he has in doing so probably will die with the government.

Redmen defeated in final minutes Newly organized juniors win in first season match against LCVI

This Redman didn't know which way to run after catching a punt Friday afternoon at Haliburton High School. The two LCVI players soon tackled the lone player. The game was evenly matched until the final minutes of the game. Haliburton lost the first match of the season.

Although evenly matched against their competitors from LCVI, the Haliburton high school senior Redmen football team lost its inaugural match of the season. The newly-organized junior football team amassed 20 points to defeat its LCVI counterpart, last Friday afternoon.

The senior Redmen lost the match 19-2 but were not outclassed throughout the game. A strong defensive string stopped many LCVI advances but head Coach Gary Brohman admitted the offensive line needs more practice before the team's next outing.

The game wasn't lost by the Redmen until the final minutes of the last half. At half-time the local squad was leading 1-0 but LCVI moved ahead 3-2 in the third quarter.

With only six minutes remaining in the fourth quarter LCVI punted from their 10 yard line to the 40 yard line. Haliburton fumbled the ball which was quickly snatched by an LCVI player. Terry Crowe stopped the LCVI touchdown five yards short with a well-placed tackle. However, two plays later, LCVI scored a touchdown and added a two point conversion as well.

The Redmen tried to recover and were third down when they were stopped at their 40 yard line. LCVI took control of the ball and on a fine pass and run play covered the 40 yards for another touchdown and two point conversion.

The game ended before the Redmen could recover. The junior team fared better as it defeated the

Lindsay team 20-0.

Mike MacNaull registered the team's first touchdown and by half-time the score was 6-0 for Haliburton.

In the third quarter Mike Blake made a touchdown and Don Meharrie scored the two point conversion. Still pres-

sing LCVI, Meharrie made the next touchdown for the local team.

Brohman was "very pleased" with the junior team's performance but warns the team will face the real test this week when it plays Brock High School

from Cannington. Brock defeated Fenelon Falls 50-6 in its first outing last week.

Both senior and junior teams meet Brock at home this Friday. The Redmen play at 2 p.m. and juniors match up at 4 p.m.

The competition was fairly even in the senior Redmen football game Friday afternoon at the Haliburton High School. Here, a Redmen tackle drags down an LCVI ball carrier. Haliburton finished on the wrong end of a 19-2 score. Coach Gary Brohman plans to work with the team's offensive line to improve its playing ability.

Correction

Ontario residents hoping to participate in this fall's four day controlled deer hunts must submit their application forms to Ministry of Natural Resources district offices by September 25, 1982.

Last week, the ministry erroneously stated that the deadline was September 15, 1982.

Participants in the annual Terry Fox Run registered at the town dock in Haliburton Village, Sunday afternoon. The 10 kilometre run followed an easy,

rolling route from the dock to Haliburton Highland's Golf Course of South Kashagawigamog Road and then returned to town. Participation and money pledges decreased this year.

Ontario Hydro justifies spraying chemical on weeds

Ontario Hydro, Minden District, is investigating a complaint concerning chemicals sprayed to retard weed

growth under hydro lines. Area manager, Cal Wilson, said the office received a written complaint from a

customer suggesting that it might cost less and be more effective to hire brushing crews to keep growth to a minimum under the lines.

Wilson said in the long run it is less expensive to keep the growth to a minimum as it can be done in cycles. By spraying, the growth is retarded but when cut, the

Please turn to Page 7

Soccer schedule now underway

In their first outings of the season, both the junior and senior soccer teams at Haliburton Highlands Secondary School fell to defeat against Fenelon Falls.

The senior team lost its match 3-2 while the juniors were kept off the scoreboard in a 2-0 loss.

The two teams face I.E. Weldon this week.

By-law no. 82-41, being a by-law to authorize the sale of various properties as per tender accepted by Council, August 13, 1982, was read a first time.

Council adjourned to the committee of the whole for second reading of by-law nos. 82-36, 82-37, 82-38, 82-39, 82-40 and 82-41. Harold C. Bannon was appointed chairman.

By-law nos. 82-36, 82-37, 82-38, 82-39, 82-40 and 82-41

were read a second time in Committee of the whole and passed without amendment. The committee of the whole was adjourned and council resumed.

By-law nos. 82-36, 82-37, 82-38, 82-39, 82-40 and 82-41 were read a third time, finally passed, signed and sealed.

General accounts no. 4191 to 4356 totalling \$54,030.54, road accounts no. 3879 to 3984 totalling \$62,743.03 and social services no. 3512 to

3554 totalling \$7,169.80 were approved for payment. Gary McKnight declared an interest in account no. 4279.

Council adjourned at 12:30

p.m. until the next regular council, October 12, 1982, unless called prior to that time by the Reeve.

Visitors to area counted

Counting the visitors to stop at the Haliburton Highlands Chamber of Commerce office on Highway 35 near Minden was just one of the duties of the Experience '82 students this summer.

In their end of the summer report the students said 2,949 visitor parties dropped by the information centre. This number calculates to approximately 7,500 visitors.

Galway Cavendish council has meeting

The sixteenth regular Galway/Cavendish council meeting was held August 30. Minutes of the Galway Hall Building committee August 27, 1982 at 6 p.m., Township office. The tenders for upgrading and expanding the Galway Hall were opened at 6:35 p.m.

Tenders received as follows: 1 - Foundations and Masonry - Beachli Construction, \$35,850; 2 - Carpentry - Beachli Construction, \$53,639; 3 - Roofing and siding - Beachli Construction, \$19,345; 4 - Drywall, acoustics and all finishes - Beachli Construction, \$35,708; 5 - Electrical - Jones Electric, \$20,240; 6 - Mechanical - Stoughton Electric, \$21,485; 7 - Mechanical - Stoughton Electric, \$59,666.

The chairman will meet with each of the tenders to ensure that their submissions conform to the tender specs and the chairman and a representative from Greer Galloway will meet with Stoughton Electric to clarify the discrepancies in the mechanical tender versus the estimate. The cost of carpet sheet vinyl, vinyl asbestos tile, finishes and painting should be detailed by the tenderer and reduced from the tender.

The committee recommended to council the tender from Beachli Construction for Foundation and Masonry in the amount of \$35,850, be accepted.

Council was requested to engage the services of a supervisor and general labourer effective September 1, 1982 to fulfill the requirements of the general contractor as specified in the building tenders.

The committee recommended to council that bids be invited for the following material from the Galway Hall: suspended ceiling, siding, metal roofing, windows and doors, used lumber and furnaces.

The next meeting was scheduled for September 10.

Minutes of the Galway Cavendish Culture and Recreation Committee meeting: The minutes of the previous meeting were accepted as circulated.

The minutes of the July 13, 1982 Cavendish sub-committee meeting were accepted as presented.

Winners of Cavendish sub-committee lottery were: Boat and motor - Don Bowles, Mississauga Lake, Canoe - Tom Myatt, Catchacoma Lake, Life jackets - T. Welsh, Gold Lake.

Application forms for the Terry Fox Youth Program were sent to the eligible students, to be completed and returned to the Township Office by September 17, 1982, for selection by this Committee, at the next regular meeting.

Two members of the committee were authorized to attend the Ministry of Tourism and Recreation's Open House on September 2.

The income and expense statement for Festival '82 was accepted.

Winners of the Festival '82 handicraft raffle were: Pine blanket box, J.K. McArthur - Crystal Lake, Oil painting, Helen Bowen - Baldwin Bay, Woven pillow, Paul Monkman - Salmon Lake, Macrame plant hanger, Cindy Cumpson - Inverary, Ontario, Bird houses, Jacqueline Bridgeman - Crystal Lake.

Some suggestions for improvements for the Annual Festival were discussed and a list was drawn up to be filed for future reference. Plans for the appreciation dance held August 21 were discussed.

Minutes of the Galway Platoon of the Galway Cavendish Volunteer Fire Department meeting August 15.

In view of the discussion at the previous meeting, the job description for building and maintenance and custodial work was read for information.

Letter of resignation from Deputy Fire Chief Horace Manktelow was read to the Galway Platoon for information purposes. Regret was expressed at the meeting.

It was noted that Deputy Chief Walter Smith had taken the defective antenna back to Radio Shack and that a replacement would be obtained shortly.

Walter Smith suggested to the meeting that consideration should be given to increasing fire fighters pay for fires and meetings. This request will be considered prior to establishing the 1983 fire budget. It was also noted

that Leon Wright and Dave Crego had not received the usual \$25 remuneration for testing the portable pumps, at several lake locations.

The possibility of holding a fire fighters training course in our own hall conducted by Mr. Wilson from the Fire Marshals Office is being explored by Chief Hickey and Councillor Nokes.

It was noted that such a meeting would be advantageous and productive for the department. It was suggested that such a meeting could take place after or before the next meeting. Those attending would be Chief Hickey, Deputy Chief Walter Smith, Rick Asling, Councillor Nokes and Platt and Reeve Brickman.

Minutes of the Roads Committee meeting August 27.

Expenses for July were reviewed in detail and recommended to council for payment in the amount of \$57,503.04. Expenditures to date for 1982 are in line with the budget.

Normal summer maintenance took place during July consisting of patching and grading as required.

Construction of Beaver Lake Road, lot 19, conc. 4,

the commitment by the township to upgrade this section of road over the next three years, was completed the week of August 9.

Launch Ramp, lot 28 and 29, conc. 4, was completed during July. The application of highfloat and prime process on the Beaver Lake Road, Galway Road, Crystal Lake Road and Mississauga Lake Road was completed as planned.

Construction of Salmon Lake Road, lot 5 and 6, conc. 17, consisting of straightening and widening a bad hill and "S" turn was started August 30 and will be completed during September.

Peter's Island Bridge, the County of Peterborough acknowledged the request to have the structure assumed into the County Bridge System and will deal with the request at the September Property Committee meeting.

Fire Hall No. 2 Expanded Parking Facilities.

The gravel and installation of a culvert at the fire hall parking facilities was completed the week of August 30.

Road side cutting is approximately 90 per cent complete. Please turn to Page 11

Baha'i present film night

A slide-tape presentation entitled "Israel Land of Four Faiths", which highlights many scenes of famous Jewish, Christian, Islamic and Baha'i Holy places, will be shown Thursday, at 7:45 p.m. at Lakeview School, Haliburton.

Following their extensive travels in Israel, Mary and Jim Belchamber of Puslinch, who live just south of Guelph, prepared this presentation with the central theme of the continuing advancement of civilization inspired by the four great religions of the Holy Land. The

presentation chronicles the contributions to science, art and spiritual development in the different ages and illustrates these contributions with scenes of the history and lasting monuments of these great religions. Anyone interested in comparative religion, or studying the subject will find this most informative.

This presentation has been shown by the Belchambers in more than 125 cities and towns in Ontario with several of them being return engagements. The program is sponsored by the Baha'is of Haliburton.

From the chamber

from page 5

Mae's) at 10:15 a.m. Tickets are available at both the Gallery and Mae's as well as from the Chamber. To be sure of a seat on the bus pick up your tickets in advance. The \$10.95 ticket includes lunch at the Nordic Inn but you should allow an additional \$2.00 for admission to the Kanawa and Glebe Park Museums.

First Annual Mud and Run in Wilberforce

Hard on the heels of a successful "Hillclimb competition" at the ski hill in Wilberforce, Bill Thomas is now preparing his property for the first annual "Mud & Run" for four wheel drive vehicles to be held on Saturday and Sunday of the Thanksgiving weekend. Anyone with a 4 x 4 may enter and spectators will be treated to some exciting action from the viewing area provided. The event is being co-sponsored by the very active Coe Hill 4 x 4 Club and should set the pace for more events of its kind to follow. For more information contact Bill Thomas, owner of "Bill's

Hills" at 448-2924.

John Williams, incidentally, is presently applying for sanctions and sponsorship for next year's hillclimb at the Wilberforce site so you can pretty well count on that exciting attraction returning next August.

HALIBURTON HUSKIE IN HOME STRETCH

Gary Vasey's fantastic colt Haliburton Huskie has now won 3 consecutive stake races and is aiming for two more big ones coming up shortly. The September 25th Gray Stakes will be televised and we look forward to cheering him down to the winners circle. On October 11, the Canadian Futurity will be the next stepping stone to major stardom for this fine horse. With horses like Haliburton Huskie, Big Redstone, Gull Lake, Kushog, Kennis and Haliburton Boy, Gary has, along with Don Finn made Haliburton area and the tartan they use for racing colours well known to racing fans throughout Canada and the U.S. Hats off to both of them.

Parliament

from page 5

The new Minister of Justice and Attorney General is Mark MacGuigan. He has some credentials in this area. Perhaps in Justice he will develop policies closer in line with the thinking of the Prime Minister than he did in External Affairs. In any case, his position had to be sacrificed to satiate Mr. MacEachen's desire to return to his beloved External Affairs.

The other appointment was Senator Austin to Minister of State for Social Development. This was a post held by Jean Chretien in conjunction with the Justice portfolio. Rather than have it with the new Justice Minister, Trudeau decided it would be too much for him and reached outside the House to the Senate to find someone from the west where he has virtually no representation. Again, it was a purely political move which will accomplish little.

Almost simultaneously with the shuffle, M.P.'s constituency offices received a package of advertisements regarding the 6 percent and 5 percent wage restraints. It is ironic that that government would spend an estimated \$50,000 to ask us to stop spending. Adding to this expenditure figure, the cost of all advertising of the program at exhibitions and through the media, this government has spent over \$1 million of our taxes to ask us to accept less. In terms of

employment, the government could have created 100 jobs at a rate of \$10,000 per year with the money it spent on this campaign. This may seem like very few jobs at little pay, but if you are unemployed right now a chance at one of those jobs could mean the difference between eating next week or starving.

These events are clear evidence that Trudeau's government has no intention of acting on our problems.

Hydro justifies spraying

from page 6

woody plants will sucker and multiply.

Wilson said Hydro's guidelines are "pretty stringent" and regulated by the Ministry of the Environment. In the summer, 2, 4D is

diluted with water for foliage and in the autumn, oil is mixed with the chemical so it will adhere to the leafless stems.

"We try to take a very responsible approach to spraying", Wilson said.

WANT ADS
the right team to bet
on for quick results

We believe our Pontiacs, Buicks and GMC's are going to take over 1983.

COME IN AND SEE OUR FINEST NEW CARS AND LIGHT TRUCKS IN YEARS. AND BE A BELIEVER.

BUICK SKYHAWK

Its elegance is to be expected. Its sportiness must be experienced. The new, small front-wheel-drive Buicks are models of contemporary efficiency and Buick elegance. Well-equipped, five-passenger Coupes, Sedans, Station Wagons and a distinctive TYPE Coupe, all with Buick comfort and brisk small car performance.

BUICK CENTURY

Only a handful of cars could integrate luxury and refined sportiness this beautifully. Sophisticated elegance. Sporty performance. State-of-the-art engineering. Front-wheel-drive mid-size Century presents high style and rich comfort in five-passenger Coupes and Sedans, including a new TYPE Coupe and TYPE Sedan.

GMC S-15

GMC's first small truck gets a family. GMC's sensational economy-size Pickup is joined by an all-new four-passenger Jimmy and a convenient Club Coupe Pickup with a large cargo area behind the seat (twin jump seats can be ordered). Standard engine is an efficient V6. 4x4 is available on all compact models: Pickups, Jimmys and Club Coupe. GMC's news also includes an economy-minded, full-size Diesel Van.

PONTIAC 2000

Quality from start to finish, value and performance to match. High technology has helped produce a family of small, front-wheel-drive Pontiacs of exceptional quality. Among the big news for '83 are an eager two-litre engine and available five-speed overdrive manual transmission. The comprehensive line-up includes five-passenger Coupes, Sedans, Station Wagons and Hatchbacks, and the latest newcomer, OHC 5 model.

PONTIAC 6000

Stylish performers available for exciting family relationship. Pontiac 6000: among the best-built, most aerodynamic mid-size cars in the world. Front-wheel-drive, mid-size Pontiacs with crisp handling and a taut McPherson strut suspension in world-quality two-door Coupes and four-door Sedans. And the brand new luxurious STE model.

Some of the equipment shown or mentioned is available at extra cost.

From small cars and trucks to full size, the 1983 Pontiacs, Buicks and GMCs are here. See us now for a test drive.

FAMILY

50 attend annual Home Support lunch

More than 50 people attended the second annual general meeting of the Haliburton County Home Support Services held at the PineStone Inn, Haliburton, last Friday.

Jack Bassett presented the president and her successors with a gavel, made by himself from local materials. Doris McCann accepted the gift.

As guest speaker before the business session, Barbara Pierce gave the audience a summary of a presentation that had been made to the Ministry of Health for an adult community mental health service for Haliburton County.

Kim Stamp, the new secretary and bookkeeper of the Support Services, and Betty Mills, recently appointed Co-ordinator of Home Health Services with the Haliburton, Kawartha, Pine Ridge District Health Unit, were introduced to the meeting. Betty said that she is interested in co-operating with the support services, to find out what we are offering and how best to integrate services.

Laurie, the daughter of Mr. and Mrs. Claude Brown of Minden and a graduate of H.H.S.S. in 1975, graduated with distinction from the Ontario Veterinary College, Guelph, Ontario, with the degree of Doctor of Veterinary Medicine.

She was the recipient of the Holstein-Friesian Association of Canada Prize, the P.B.U. Inc. prize and plaque, Ontario Veterinary College Alumni Association proficiency prize and bronze medal. Laurie is presently associated with Drs. Stirk, Hageman, Cation and Associates, with clinics in Brampton, Snelgrove and Schomberg.

"The Voice of The Highlands"

McCann ran through the Annual Report for 1981-82, year ending April 1, and added a few more up-to-date details. She mentioned that Mary Robertson is now acting as convener of transportation for the Services.

Leo Dobrzensky spoke briefly on the information and referral centre, which is now fully operational and working out of the Support Services Drag River offices.

It was announced that a workshop on "Total Health" will be held at the PineStone Inn, Friday, October 29. More details will be announced later.

A suggested slate of officers and directors for 1982-83 was presented by Jane Graham on behalf of her colleagues on the nominating committee, Mary Hadley and Gladys Reid. No nominations being offered from the floor, the list stands as follows: Executive: Chairman, Ivan Hunter; 1st Vice-Chairman, Alberta Maitland; 2nd Vice-Chairman, Billie Shuyler; Secretary, Dorothy Robertson; Treasurer, Aileen Robertson. Directorate: Blairhampton: Billie Shuyler, Cardiff: Jack Gedney, Carnarvon: Vi Smith, Donald; Marjory Rennick, Dorset: Marg Walkden, Eagle Lake: Muriel Allport, Gelett: Jean Jennings, Gooderham: Ileen Hunter and Tom Stinson, Haliburton Lake: Lil Haight, Hall's Lake: Dean Hodgson, Harcourt: Nancy O'Neil, Highland Grove: Gilbert Rowley, Ingoldsby: Marvis Burk, Irondale: Violet Cooke, Kennis Lake: Jim Wilkins, Lochlin: Bessie Burk, Lutterworth: Isobel Harrison, Maple Lake: Everett Harding, Minden: Gloria Lemieux and Georgina Deeks, Tory Hill: Maurine Finlay, West Guilford: Ev Stata, Wilberforce: Victoria Agnew.

Incoming president Hunter paid tribute to McCann for the job she has done during the support services' initial years.

Mr. and Mrs. Wilfred Smith, of the Buckhorn Road, celebrated their 60th wedding anniversary with relatives and friends Saturday afternoon. The couple were married on September 20, 1922 between Haliburton and the Buckhorn Road.

Eastern Star holds annual sessions at Toronto center

The 67th annual sessions of the Grand Chapter of Ontario are being held September 21 to September 24, 1982, in the Royal York Hotel, Toronto.

The Order of the Eastern Star is a benevolent organization with a membership of 34,000 men and women, in Ontario, and over 3,000,000 throughout the world.

The special project of the Worthy Grand Matron, Mary Barton, of Madoc, and the Worthy Grand Patron, Donald Symons, of Orangeville, is Arthritis Research Equipment for each of the five University Hospitals in Ontario. The Order supports many other charities, such as cancer, heart, kidney, and diabetes. The members of the 260 Chapters throughout Ontario contribute voluntarily to the ESTARL program (Eastern Star Training Awards for Religious Lead-

ership). 143 student ministers received awards of \$400 each.

The theme for this year's session is the "good samar-

Obituary

Cecil Dummitt

Cecil Dummitt died at the Wellesley Hospital, Toronto, September 13.

He was in his eighty-second year and was the son of the late William and Sarah Dummitt of Blairhampton. He was predeceased by his wife Gladys Anderson.

The late Cecil Dummitt is survived by two stepdaughters, Mary Dury and Margaret Finlayson, one sister, Mrs. Almonte McCracken (Elsie) of Colborne. Predeceased by Edith, Ella, Lavina, Hazel, Arnold and Bill. The funeral service was

from Gordon Monk Funeral Home, Minden with the Rev. John Phillips officiating. Interment at Evergreen Cemetery, Haliburton. Six nephews, Royce McCracken, Moss Davis, Murray Davis, Francis Thomas, Jack Barnhart and Mervin Redner were pallbearers.

Senior League by Bert Harrison

Rev. Burgess had a busy day, September 12. He went to preach at Eagle Lake over the roughest road he can remember, then back to Haliburton to speak at Lakeside Baptist Church, then here in the chapel Sunday night, never leaving us in a lurch. The Thompsons came to do their part, which they do so faithfully. Harold read the lesson from Psalm 43. Rev. Burgess then took his text from the same psalm - "Judge me, oh God, and plead my cause against an ungodly nation".

Sunday and Monday being such nice days, we thought there would have been more taking advantage of our new gazebo. There were a few out Sunday, just three on Monday.

Rev. Burgess took the service Tuesday morning in the absence of Rev. Wicks. He spoke on "Cast your burdens on the Lord, and He will sustain thee," if you are in a fix. Fred Ballard came to play. We thank them both for coming this rainy Tuesday.

We watched four interesting movies Tuesday afternoon. We were watching the last interesting scene, when something went wrong with the machine. Linda tried to fix it, without much success. I guess the machine just wanted a rest.

Speaking of Linda English, she was home sick yesterday, and this week Doris Robertson is away, so I guess we could call it blue Monday.

We had Payne and Deacon back again after a two month's holiday. It seems like good old times again to hear them sing and play. A lot of relatives came during the week-end to visit residents here. It is nice to have visitors come, whom we hold so dear.

My sister Myrtle and husband came Sunday, looking spry. I always get a great kick out of George - he sure is quite a guy. Then our son Roger's wife, Barbara, dropped in on her way to visit her parents, the Hal. Burtons. How long she would stay she wasn't real certain.

I got arthritis in my hip - it was hurting something fierce, I got examined by our own Dr. Pierce.

The ladies from Kinmount United Church brought a lovely lunch this Thursday afternoon, and served it up so nicely. We played them some lovely tunes. If they enjoyed it, they really didn't

say. Edith Welch thanked them, before they went away.

Thursday night is Bingo night here at Hyland Crest. Ted Carr has cause to stick out his chest, he has won five bingos, two nights in a row. Congratulations, Ted, that's the way to go.

Friday afternoon Doris took us in the bus, to see the colour in the hills. We saw a lot of lovely sights, and had a lot of thrills. We made one mistake. We turned in the road that leads to Eagle Lake. The road was so blooming rough, our false teeth shook. We stopped in Carnarvon for ice cream, then back home down the Bobcaygeon road. The colour there was supreme. Give me one friend for peace or war. And I will hold myself well blessed. And richly compensated for The cussedness of all the rest.

OCAP CAN HELP

ARE YOU BETWEEN THE AGES OF 16 AND 24?
HAVE YOU BEEN OUT OF SCHOOL FOR AT LEAST 3 MONTHS?
ARE YOU ACTIVELY LOOKING FOR YOUR FIRST FULL TIME, CAREER-RELATED JOB?

If the answer is YES to each of these questions, the Ontario government has just the program for you.....

The Ontario Career Action Program

You may be finding it extremely difficult to get a job in your chosen line of work because you lack experience; at the same time, the only way to obtain this experience is by getting a job! The Government of Ontario has designed the Ontario Career Action Program (OCAP) to help you over this frustrating hurdle.

EARN WHILE YOU LEARN

The OCAP training period lasts up to 16 weeks, depending on the complexity of training. During this time, you receive a training allowance of \$100 a week.

GET PRACTICAL, ON-THE-JOB TRAINING

OCAP gives you practical, on-the-job training. You learn in a real work environment, one of the best ways to improved your job skills, work habits and productivity. This work experience should increase your chances for jobs with more self-confidence. OCAP will not find you a permanent job, but it will help you to find one for yourself.

FIND THAT PERMANENT JOB

Job-search counselling and career guidance are also part of the OCAP experience. You will participate in workshops on how to search for employment effectively, how to write a good resume, and how to present yourself at a job interview. You will also be encouraged to apply for regular jobs and given help in arranging job interviews during your training.

HOW TO APPLY

Application forms for participation in the Ontario Career Action Program and further information are available from the OCAP office at your local community college or Canada Employment Centre.

REPRESENTATIVES FROM S.S.F.C. WILL BE AT OUR HALIBURTON CAMPUS THURSDAY, SEPTEMBER 23, 1982 AND FRIDAY, SEPTEMBER 24, 1982 FROM 9:00 - 12:00

TO RECEIVE APPLICATIONS AND PROVIDE FURTHER INFORMATION ON OCAP.

PLEASE DROP IN OR GIVE US A CALL AT (705) 457-1680

EMPLOYERS OCAP CAN HELP...

IF YOU ARE AN EMPLOYERS WHO WANTS TO HIRE A YOUNG, EAGER PERSON BUT CAN'T MEET THE INITIAL TRAINING COSTS...THE ONTARIO GOVERNMENT HAS AN EMPLOYMENT PROGRAM JUST FOR YOU.....

WHAT IS OCAP?

The Ontario Career Action Program is designed to help young people learn practical, marketable skills on the job.

Many young people face a major problem. Lack of previous work experience prevents them from finding regular jobs related to their career goals and education, yet the only way they can get that experience is by being employed!

OCAP was created to help overcome this dilemma by bringing together unemployed youths and employers, with the help of your local community college.

EARN WHILE YOU LEARN

OCAP provides on-the-job training for a period of up to 16 weeks. Trainees will receive an allowance of \$100 per week plus 4 percent vacation pay from the Ontario Government. Income Tax, Canada Pension Plan and Unemployment Insurance premiums will be deducted. Trainees are responsible for their own health coverage but most

trainees will qualify for premium assistance. Enquire at your local OHIP office.

WHO QUALIFIES?

Trainers:

All Ontario businesses, industries, provincial government ministries, colleges, universities, crown corporations, municipal and federal governments are eligible to participate.

You must ensure:

- that the training will be for a period of up to 16 weeks, depending on the complexity of the job duties.
- that there are good prospects for employment of the trainee with you after OCAP.
- OR that the skills acquired in training are marketable in the community, so that job prospects for the trainee are good with other businesses.
- that no regular full-time or part-time employees are displaced in any way by the introduction of an OCAP trainee.

REPRESENTATIVES FROM SIR SANDFORD FLEMING COLLEGE WILL BE AVAILABLE:

THURSDAY, SEPT. 23 ... 1:00 p.m. - 4:00 p.m.

FRIDAY, SEPT. 24 1:00 p.m. - 4:00 p.m.

PLEASE DROP IN TO OUR HALIBURTON CAMPUS TO DISCUSS YOUR TRAINING NEEDS OR GIVE US A CALL AT (705) 457-1680

DISTRICT NEWS

Guilford Potpourri *by Gladys Kreller*

Hi everyone, another week has gone by and the leaves on the trees are turning colours very fast and it sure is a beautiful sight.

A group of local women, along with others from the Haliburton Senior Citizens Club, went on a very interesting trip for four days. Ev Stata, Mary Parozanin, Marion Gould, Joy Fielding, Vi Smith, Blanche Linton and Annie Jones visited Lancaster, Pennsylvania, where they went through an Amish homestead and a Pretzel factory. Then they went to Hershey, Pennsylvania and went through the Hershey Mansion and the Hershey Chocolate bar factory and on to Corning New York where they saw how the dishes were made in the Corning Ware factory.

There are more men bowlers needed for the Wednesday Night bowling league and more men and women needed for the Golden Age league, Friday afternoon. If you are interested in bowling on either of these leagues call Wes Stata at 754-2204 or call the Carnarvon Bowling Alley at 489-2102.

About 18 people really enjoyed the first luncheon for the Haliburton County Home Support Service, Wheels to Meals program, which was held at the Guilford Grill on Tuesday, September 14. The luncheons will be held every second and fourth Tuesday of the month, but will be starting at one o'clock instead of 12 noon, so that the regular patrons of the Guilford Grill will be finished their lunch and more Senior Citizens can be accommodated.

Mrs. Stanley Cooper has gone to Vancouver Island to visit her daughter and husband, Toby and Ted West. She was accompanied on the flight out by her grandson George. She will return approximately October 28.

We would like to welcome a new family to the neighbourhood. Bob and Debra Haley and their four children have taken up residence at Brae Mar Ranch. The Haley's have moved here from Toronto.

A Tribute to Alfie:
Of all the friends we've ever known, Or ever hope to meet, You've been the truest, our very own, a friend so good and sweet. Though we part for a little while, we know we shall meet again, But we'll remember your toothless grin, Alfie, our most cherished friend.

Jean and Bill

Carrie Sisson would like to tell all her friends and neighbours that she has another new cousin. Brian

James Mulholland was born on September 17, in the Haliburton Red Cross Hospital, to Brian and Coleen Mulholland. He weighed five pounds and five ounces.

Sunday School starts at the Maple Lake United Church October 3, at 10:30 a.m. Any child over three years old is welcome to attend. If there are any people in the neighbourhood that would be interested in teaching a Sunday School class on a spare time basis, call Merrie Barry at 754-2258.

Mrs. Merle Redner has now returned home after

having spent some time in the Haliburton Hospital.

Come on now everybody, there must be one of your friends or neighbours that have done a good deed, so if you let me know about it, I can tip the good neighbour hat to him or her.

If anyone has any news they would like printed in the Potpourri column please call 754-3005 or write it out and drop it at the Silver Valley Store or the house behind the store.

Well that's all for now, see you next week.

Dorset News

by PHYLLIS BRISCOE

"Tis with our judgements as our watches; none are just alike, but each believes his own."

The Octoberfest held at Hollow Valley Inn was considered a huge success, with over 500 attending over Friday evening, Saturday afternoon and evening. The event was sponsored by the Dorset Snowmobile Club. The German Masters band from Kitchener provided the excellent music and was greatly enjoyed by the dancing public. Sauerkraut and German sausage were the main dish of the meal. This was the first and rather a large undertaking and we congratulate the people who worked so hard to make it the success it was.

Jack and Irene Clayton have returned from a motor trip through Eastern Ontario and the New England states.

There was a community bridal shower for Jocelyn Baird, daughter of Cathy Bird, last week. The event was well attended and Jocelyn who is to be married on October 2, to Philip Cass, received many lovely gifts.

The Dorset Lions club has started its winter season, having had their first dinner meeting September 1. Once again the Dorset Life Liners are catering the dinners. For those not familiar with the Life Liners, they are a group of ladies who cater to groups mostly the Lions club, but also for receptions, etc. and are a non-profit organization.

All profits have gone to charitable organizations, churches, Camp Dorset, and more recently to the Dorset Community Centre building fund. So they are a group of hard working ladies who received only thanks for their efforts.

There is a proposed Pioneer week in Dorset for next summer being discussed, at which time activities that occurred years ago would be re-enacted, old fashioned dress for example. This is still in the embryonic stage so if you have any ideas on the subject please call Priscilla Lewis at 766-2468.

We wish to congratulate Lloyd and Polly Green, now living in Huntsville, who celebrated their 60th wedding anniversary on September 18. Although Lloyd is a patient in Huntsville Hospital.

If driving at night look out for moose, they say there are a good many roaming around.

H.H. You can use off-taste butter if you melt it over low heat and skim off the liquid for use. The bad taste will stay in the solids which you can discard.

Gooderham News

by
Mary Hadley

Twenty four geology students attending Toronto University, accompanied by their professors, stayed in Barr's cottages last week. They were here to learn how to test their equipment at the common testing ground in Cavendish Township. Each year groups of these students from different universities come for the same reason.

Rita and Max Spillenaar of Niagara Falls, N.Y. visited Rita's brother, Aldridge Hunter and his wife, Gladys. Hazel (nee Ellis) Hadley died suddenly at Georgian Manor, Penetang, at the age of 83 years. She was the wife of the late Karl Hadley.

Born in Haliburton, where her father operated a saw mill, she spent many years of her married life there, before moving to Point Edward. A son, Stuart, was killed in England while serving in the R.C.A.F.

Funeral services were held in the Barr Funeral home Sunday, September 12. Maurice Bradley conducted the service. Interment took place in the Glamorgan cemetery.

Among those attending the funeral were: her son, Donald, of Brampton, with his son, Larry and wife; her daughter, Muriel Cook of Point Edward, with her husband, Claude, their daughter Gail, and her son, Brady; a brother, Bill Ellis, of Kingsville.

Ileen Hunter was the hostess for the September 10 meeting of the U.C.W. The weather was so balmy that the ladies enjoyed having their meeting outdoors.

Septemberfest was celebrated September 11 and 12 at the Glamorgan Community Centre. A ladies' baseball tournament was

well organized and enjoyed. The centre was tastefully decorated with coloured autumn leaves. A live band provided music which the dancers enjoyed. This event meant much work both in the planning and execution and those responsible deserve special thanks.

Harvest Festival, sponsored by the Haliburton Highlands Chamber of Commerce will be celebrated at the Glamorgan Community Centre in Gooderham, this Saturday. The theme is German Bavarian so that type of food will be served. You can choose your individual dish. The evening will be spent in dancing with music supplied by a D.J. This is the second of four such events at four different locations. Get your passport and enjoy German food and dance.

Mrs. Wood flew from Ireland to be present for the wedding of her granddaughter and to see her new great grandchild. Bride and new mother are children of Madeline and Bob Woods of Kingston, and grandchildren of Pearl and Albert Cary. While here Mrs. Wood spent a few days with Pearl and Albert.

Doreen (nee Switzer) Robertson with her husband and two children of Burlington visited Pearl and Albert Cary. They also visited Doreen's mother, Katie Switzer, in Lindsay.

The greatest annual colour show is very evident in our area now. The brilliant splashes on our hillside are breathtaking. Wild geese have been heard flying south. All too soon we shall say goodbye to another summer.

A surprise birthday party honoured Grace Billings Sunday afternoon. This took the form of an open house at her home. Some of those attending from out-of-town included: her sister, Rita, of Fenelon Falls; her sister-in-law, the wife of her brother Allan, of Belleville; her daughter, Verna, of Omamee and her son, Leslie, of Lanark. Her daughter, Marie, made the birthday cake. Mary called to offer congratulations and to wish Grace health and happiness in the years ahead.

Grace had just returned from a motor coach four-day tour of the Pennsylvania - Dutch country. They toured Lancaster where they saw the rich farm district where tractors have not yet replaced the horses as the farm machinery. They enjoyed an Amish-style lunch and many other delights.

It has been remarked that very few squirrels have been noticed this year. These little creatures are responsible for dropping the pine cones. Since their numbers are so few, those who are gathering cones find few on the ground.

An enriching experience.
The Echo

Kinmount Korner

by Millie Moss

To all you euchre players, games will resume October 20, at 7:30 p.m. in the Galway Firehall. Everyone is welcome.

The annual Kinmount and District Horticultural Show is once again behind us and what beautiful plants and vegetables are grown in this area! Makes you want to get right in there and start preparing for next year's show. I hope to have some of the results for you next week. Congratulations to Vi Whelan of Head Lake on her \$175 bingo win at the Lions Bingo in Cobocok, last Wednesday. This bingo is now closed for the season.

Thanks to all who helped in any way towards our plant and vegetable show. Willing hands make the work much easier and it is appreciated. I am glad to hear Marion Sweetland is now home from the hospital after surgery. We hope everything will be well for you Marion.

Bill Wilson was under the weather last week, but he did get to see the plant show following a visit to his doctor.

Happy new year to our Jewish friends on September 18.

A very happy fifty-first wedding anniversary to Clara and Ambrose Watson of Howland Junction Road, Kinmount, on September 30. St. Patrick's C.W.L. card party held September 14 was lots of fun with seven tables of players. Results: ladies' high: Mildred Williamson, ladies' low: Gladys Anderson men's high: Clara Watson, men's low: George Brown and most lone hands: Mildred Williamson.

The Kinmount Senior Citizens Club #714 held its annual card party and penny table. A draw on the beautiful quilt and wall hanging

went to two Toronto people. Winner of the quilt was Mel Hayes and the wall hanging was won by J. Powell. Results of the card games of ten tables were: ladies' high: Nora Swinson, ladies' low: Betty Lonsdale, men's high: Ambrose Watson, men's low: M. Hockley, lone hands: Ambrose Watson.

Mr. and Mrs. Arthur King of Ridgeville, Ontario spent the past week with Bill and Dora Lilley at their home in Norland.

It will be nice to hear that Ida Pardy of Cobocok is feeling better soon.

Here's a tasty treat to try and it's called "Graham Cracker Surprise" - 1 doz. double graham crackers, 1/2 cup butter, 2 cups icing sugar, 2 eggs, 1 tsp. vanilla, 1/2 pint whipping cream, 1 can crushed pineapple (well drained). Crush crackers and add half of the butter melted. Place half of crumb mixture in pie tin. Cut rest of butter into icing sugar. Add unbeaten egg and vanilla and beat well. Tint green and spread on cracker crumbs. Whip cream and tint pink. Spread for third layer. Fourth layer is the well drained pineapple. Spread the remaining crumb mixture on top. Let stand 24 hours and serve garnished with whipped cream. Keep in refrigerator.

Welcome home to Albert and Vi Crego from a recent holiday.

Work still goes on at highway 121 and 503 and we sure hope that will be completed before the snow comes.

Just had a nice phone chat with Vi Gammon and her husband arrived home from the Civic Hospital last Friday. Vi says he has a way to go yet but is coming along.

Chatting with Irene by Irene Moore

Now the gorgeous tints of autumn are appearing everywhere. Till it seems that you can almost see the Master Painter there. There's a solemn sort of stillness that's pervading everything. Save the farewell songs to summer that the feathered tenors sing. To me I get the shivers, that the autumn winds do bring, I'd love to see the summer extend until November, then let the spring come early; but one can always dream can't they?

Mrs. Jessie Johnston of Bala, also Mr. and Mrs. Ted Johnston and Randy of Scarborough visited with Mrs. May Wright on the weekend.

Don't throw out your plastic egg cartons; put plastic wrap in each indentation, fill with blended, leftover fruit, then put the carton in the freezer so the fruit freezes up in balls.

Mrs. Lillian Andrews of Toronto and Reita McNeil have returned from a tour of Hagawa Canyon in northern Ontario and said the colours were really beautiful.

It is with regret that we say farewell to the Peter Alexander family, who moved to Cochrane this week, and wish them well in their new home.

Mabel's Cut 'n Curl will be open again for business this week.

A lot of kids don't like spinach, so try this Spinach Custard: 2 cups cooked spinach, 2 tbsp. melted butter, 2 slightly beaten eggs, 1 cup milk, salt, pepper, lemon juice to taste. Mix all ingredients and pour into a buttered casserole. Bake at 300 degrees until firm, about 25 minutes. May be garnished with slices of hard

cooked egg. Serves 3-4. Beverly Dawkins, Laura and Mike Bird, all of Toronto spent the week-end with their parents.

Did you know that dried corn cobs make great fire kindling?

Mrs. Ethel Harrison had a number of visitors last week. Mrs. Ella Jones of Toronto, spent several days with her, and her nieces, Dorothy and Laurie McCallum, also Marjorie Dawkins, all of Lindsay spent last Sunday with her.

Minden Women's Institute held their meeting in the Common Room, September 15, with the President, Mrs. Lyman Cox opening the meeting with the poem "Friends". Card convener reported 52 cards sent since the June meeting. The area convention was discussed and it was decided to send Mrs. Cox as delegate if possible. The secretary was asked to write both the Home Economist, and the District secretaries, to send all letters to the President. Mrs. Wilson and Mrs. Berry have offered to go to the leaders workshop, which is being held in Lindsay on November 18 and 19. Articles for the Christmas Baskets, such as groceries, mitts, toques and toys are to be handed in at the November meeting. A donation of \$50 was made to the Museum Committee to help finish fixing the outside of the building. Mrs. C. Wilson gave an excellent paper on Education, one suggestion was that we do our best to learn and use the metric system. A quiz followed with Mrs. J. Moore and Mrs. R. Hughes having the most right. The Area Tea in October was held over until the next meeting. God Save the Queen followed by

the W.I. Grace closed the meeting. Then the ladies enjoyed a social time over lunch and a cup of tea. The next meeting will be October 20, same place at 2 p.m. All ladies are welcome to the Women's Institute meetings. Adios and take care now.

Carnarvon News

Art Kerr is recovering from his recent operation. Mabel Russell has had another cataract operation and should be home soon.

Mr. and Mrs. M. Windsor had as over night guests Mr. and Mrs. Ray Mitts of Trenton and Mr. and Mrs. Ed Wilson of Brockville.

Mr. and Mrs. Jack Gregory are spending a couple of days in Toronto where Jack's sister is very ill.

We are pleased to have a substantial addition to our cemetery, the last plot on the present cemetery having been sold.

After the heat wave our weather has surely changed. Perhaps it was Indian Sum-

mer after all, for there was a purple haze.

Mr. and Mrs. Jack Barnhart attended the funeral of Cecil Durmmit in Haliburton last week.

Mr. and Mrs. Bob MacBrien are driving his father's car to Florida while he and his wife will fly down.

Mr. and Mrs. Lew Tompkins were in Toronto on Saturday to be present at Larry Bender's wedding. Larry has spent his summers here for many years.

Mr. and Mrs. Bert Harrison and Mr. and Mrs. Raymond Harrison paid a visit to the Windsors Sunday afternoon.

Coboconk News

by Sheila Lake

Winners in the Tuesday night Seniors euchre were as follows: ladies first - Laura Irvine, 72; ladies second - Elva Hannivan, 68; consolation - Marion West. Most lone hands - Flo Penrose. Men's first - Eunice Kingdon, 73; men's second - Hilda Chynoweth, 67; most lone hands - tied - Roy Penrose, 4, Howard Stewart, 4.

Bridge winners were: first - Jack McNeil, 4850; second - Alex Gagne, 4690; low - Ed Holland, 860.

A life-long resident died suddenly this past week. "Shorty" Elwood Moore died during Monday night at

the home of his mother, Olive Bryant. He was buried in Coboconk cemetery on Thursday. His son, Larry, and Larry's wife and son were home visiting from St. Stephen, N.B. at the time. Our sympathy to the family.

Mr. and Mrs. Adam Carl of Sunderland were Friday visitors of Mr. and Mrs. Ben Farrow.

Mrs. Lois McCuaig of Cambray visited her sister, Ruby Green last week.

Mrs. Ada Irwin and Vi Bodkin of Lindsay were visitors of her sisters, Mrs. Faulkner, Mrs. Marles and Mrs. R. Cameron last week.

Trent Severn

The Kawarthas were holding quite constant until the rain Tuesday night, raised most of them by 2 to 3 centimetres. This rain had less effect in Haliburton where not as much fell.

Outflows from the Kawarthas were increased to take care of the water contributed by the rain, Friday and Saturday. As the evaporation rate declines considerably in the autumn even normal rains will result in higher flows than summer from the watersheds. Up until the

middle of this week the unseasonably warm weather had caused our Trent-Severn personnel to run some of the lowest flows of the whole summer.

The stored water in Haliburton was reduced by 3.8 percent to 59.6 percent of maximum by September 13. This was 5 percent higher than the 10 year average for that date, but less than last year's level of 69.5 percent caused by heavy rains then. Very little change was made to the flow this week of the tributary rivers.

Galway/Cavendish hold regular monthly meeting

from page 7

pleted. The remaining section was completed the first week of September.

The road superintendent is attempting to have the required repairs performed as soon as the equipment dealer is able to undertake them.

All signs under the 1982 sign program are installed now.

Gravel will be applied to Crystal Lake Road, lot 30 to 32, in September. Gravel was placed on Collins Bay Road, lot 19 to 20, early in August. Resurfacing of the hills on Mill Bay Road and Collins Bay Road was completed the week of August 23. Gravel will be applied on Peter's Island from Bridge to "Y" in September. Eastview Drive stop sign was installed during August. Sections of Rattles' Narrows will be completed during September. The steep, partially paved hill on Mississauga Lake Road, lot 20, con. 3, will be repaired during September.

Employment under the Municipal Improvement Grant projects terminated this week of August 9 as the supplementary funding enabling the projects to run for another six weeks was not approved by the Ministry due to lack of funds.

The Reeve reported that he had a meeting with the Ministry of Transportation and Communications district engineer and maintenance foreman on August 16 in the general area of Fire Hall no. 2 and that after considerable discussion, it was agreed by the M.T.C. representatives that they would arrange to have their traffic staff review the signing leading into this very bad and dangerous section of the road with a view of improving it this fall. The MTC was not prepared to consider any change to the roadway at this time due to the plans to tender as a capital project, the realignment of this highway from the point of concern north to the Haliburton County line.

The minutes of the August 9 council meeting were adopted as circulated.

M. Dzedzitz, sales representative for Hagen Real Estate, attended the meeting to discuss the land the Township had listed with Hagen Real Estate and to present two offers to purchase he had received. One offer was for the property on Conc. 13, lot 13, Galway Road and the other was for Conc. 17, lots 4 and 5.

Phil Polito's offer to purchase Concession 13, lot 13, Galway Township in the amount of \$19,500 was accepted and the Reeve and Clerk were authorized to finalize and sign all required documents.

Joseph Mulroy's offer to purchase lots 4 and 5, concession 17, Galway Township in the amount of \$13,000 was not accepted and the Reeve and Clerk were authorized to sign the agreement of purchase and sale in the amount of \$15,000.

W. Huels and Mr. Brian Ehmke attended the meeting to discuss the Minden District Land Use Strategy Plan prepared by the Ministry of Natural Resources.

The Ministry of Natural Resources, Minden District Manager, was advised that a submission will be made by the Townships of Galway and Cavendish on the draft Land Use Strategy Plan by September 10.

Roads voucher 8 for the month of August in the amount of \$57,503.04 were approved for payment.

General voucher 8 for the month of August in the amount of \$13,804.30 was approved for payment.

Welfare Voucher 7 for the month of August, in the amount of \$498 was approved for payment.

Incentive Program voucher 2 for the month of August, in the amount of \$996 was approved for payment.

Experience 82 voucher 1 for the month of July in the amount of \$1,574.54, was approved for payment.

The minutes of the Galway Platoon of the Galway Cavendish Volunteer Fire De-

partment meeting of August 15, were accepted as presented.

The report on the 1982 Association of Municipalities of Ontario convention submitted by Councillor Nokes were received.

The minutes of the Galway Cavendish Culture and Recreation committee meeting of August 17, were adopted as presented.

The minutes of the Roads Committee meeting of August 27, 1982 were adopted as presented.

The minutes of the Galway Hall Building Committee meeting of August 27 were received.

GOODERHAM PENTECOSTAL CHURCH

Sunday, September 26, 1982
7 P.M.

Evangelist James Rackley

Augusta: Georgia

Evangelist James Rackley is an ordained minister who has appeared throughout the U.S.A., Mexico and Canada teaching and preaching the messages of faith and healing and has often been a guest on T.V., on the P.T.L. Club, Good News and the 700 Club and 100 Huntley Street.

Jame's life was transformed in 1975 from that of a police officer carrying a gun to that of an evangelist carrying a Bible.

For a time he also served as a personal body guard to Jimmy Carter, then governor of Georgia.

You will be in for an exciting evening as James shares his experiences and motivates his listeners to learn and to act on the word of God.

wish to express our sincere
thanks to all our friends
and relatives who send
cards and flowers and to
those who attended the re-
ception on our 50th wed-
ding anniversary. Con-
gratulations were received
from Federal Province and
County governments.
A special thanks to Pat
and Ross, Bob and Jane
for organizing the recep-
tion and to those who
served. Thanks to Lorna
and Barry Shaw for a mar-
velous dinner. 27-B-22
